# AYUSH VIJAY TODKAR

+91 7021729332 ayushtodkar404@gmail.com ayush-todkar AyushTodkar404

## Technical Skills

**Languages**: C, Python, JavaScript
**Frontend**: HTML5, CSS3, React.js
**Backend**: Node.js, Express.js, RESTful APIs
**Database**: MongoDB
**Tools**: Git, GitHub, Visual Studio Code

## Summary

Third-year Computer Engineering student with a strong foundation in Data Structures, Algorithms, and Full-Stack Web Development. Experienced in building practical applications using React.js, Node.js, Python, and MongoDB, including a civic issue reporting platform and an operating-system simulation project. Currently pursuing an Honors specialization in Ethical Hacking, with a focus on cybersecurity and secure application development.

## Projects

**FixMySpot** | *Python, React.js, JavaScript, Tailwind CSS, Node.js, Express.js, MongoDB* **GitHub**

- Developed a full-stack civic issue reporting platform enabling citizens to report, track, and monitor municipal issues.
- Implemented role-based access control for Citizens, Municipal Workers, and Administrators, including administrator authorization for worker account creation.
- Built an issue resolution workflow with status tracking, before-and-after updates, notifications, user profiles, and an interactive satellite map interface.

**Deadlock Detector and Recovery Simulator** | *HTML, CSS, JavaScript, Node.js, Express.js, SVG* **GitHub — Live**

- Developed an interactive simulator for detecting deadlocks and demonstrating recovery techniques in operating-system resource allocation.
- Implemented Banker's Algorithm for safety checking, dynamic resource requests, and DFS-based cycle detection using Resource Allocation Graphs.
- Visualized resource allocation states and deadlock cycles with interactive process termination and resource preemption for recovery.

## Education

**Bachelor of Engineering (B.E.) in Computer Engineering** **2024 – Present**
*Don Bosco Institute of Technology, Kurla* ***8.0/10 CGPA***

- Pursuing Honors specialization in Ethical Hacking.
- CGPA: 8.0/10 through the first four semesters.

**Higher Secondary Certificate (HSC) – 12th** **2022 – 2024**
*Swami Vivekananda Junior College of Commerce and Science* ***76.33%***

**Secondary School Certificate (SSC) – 10th** **2022**
*St. Mary's Multipurpose High School and Junior College, Vashi* ***94.40%***

## Leadership and Experience

- **Assistant Research Head – Security Club, Don Bosco Institute of Technology (2026 - Present)**: Supporting cybersecurity research initiatives, exploring emerging security topics, and contributing to technical discussions and knowledge-sharing activities within the club.

## Certifications and Achievements

- **Advanced Cybersecurity Concepts Bootcamp** – DSCI Advanced Cyber Skill Centre, Mumbai. Completed a 2-day bootcamp focused on practical cybersecurity concepts and security awareness.
- **NPTEL – Developing Soft Skills and Personality** – IIT Kanpur. Completed training in professional communication, presentation skills, interpersonal communication, and personality development.
- **Smart India Hackathon 2025 – Participant** – Participated in a national-level innovation challenge focused on developing technology-driven solutions to real-world problems.

- **Smart India Hackathon 2026 – Participant** – Participated in the 2026 edition, collaborating on a technology-based solution to address a real-world problem statement.
- **3rd Place – Drama Competition, Euphoria** – Don Bosco Institute of Technology. Secured 3rd place in an inter-departmental stage drama competition.
- **Full-Stack Web Development – CodeWithHarry, Udemy** – Completed training covering frontend development, Git/GitHub, and the MERN stack, with hands-on development of full-stack web applications.

## Extracurricular Activities

- **Stage Drama – Euphoria**: Performed in an inter-departmental drama, contributing to team performance and developing confidence and public-speaking skills.
- **Marathi Club Drama**: Portrayed Hiranyakashyap in a stage production based on the Narasimha Avatar from Dashavatara.
